

CAPE has many offerings and events throughout the year, including lectures, tours, computer workshops and classes. These are announced in our newsletter, published four times a year. As a member, you'll find out what is going on with other organizations on campus and how they relate to CAPE and its members. We have fun social offerings, too. CAPE has representatives on the University committee, such as the Benefits Committee and the Senate, for example. Most importantly by joining CAPE, you will receive mailings that give you first-hand knowledge of some of the benefits available to you! Annual membership contribution is \$20.
